TEACHING AND LEARNING

COMMUNITY

Gustavus Adolphus College is a church-related, residential liberal arts college firmly rooted in its Swedish and Lutheran heritage. The College aspires to be a community of persons from diverse backgrounds who respect and affirm the dignity of all people and a place where a mature understanding of faith and lives of service are fostered. An atmosphere that allows students and faculty alike to grow in their own faith while challenging them with interreligious conversation is worth celebrating.

A GIFT TO CAMPAIGN GUSTAVUS IN THE SPIRIT OF FAITH CAN IMPACT THE COLLEGE IN MANY WAYS.

Grow the Christ Chapel Endowment - Christ Chapel was constructed in the center of the campus to serve as a reminder that faith plays an integral role in the Gustavus community. Its outreach extends beyond campus in pastoral conversations with people regarding vocation, faith questions, relationship struggles, crisis situations, and the daily joys and sorrows of life. Your support to grow the chapel's endowment will help expand its outreach, stimulate new opportunities, and ensure that the chapel continues to receive proper care and maintenance.

Leadholm Interfaith Space - In response to student requests and to recommendations from Commission Gustavus 150, the College has officially opened the Leadholm Interfaith Space in the C. Charles Jackson Campus Center. This is a dedicated space that brings together nontraditional worshippers for daily meditation, discussions, events, and meetings. It also provides a quiet place for individual reflection. Your gift to grow the culture of diversity and interfaith dialogue at Gustavus contributes to our students' understanding of being both rooted and inclusive.

Create a new opportunity - Use your gift to create a new opportunity that celebrates faith and religious dialogue in a way that supports the mission of the College.
