

My Class Schedule:

FIRST YEAR

SECOND YEAR

| FALL | SPRING | FALL | SPRING |
|----------------------------------|------------------------------|-----------------------------------|--------------------------------|
| MCS-121, Calculus I | MCS-122, Calculus II | BIO-101, General Biology | BIO-102, Organismal Biology |
| CHE-107, Principles of Chemistry | CHE-141, Organic Chemistry I | CHE-251, Organic Chemistry II | CHE-258, Inorganic Chemistry I |
| FTS-100 | PSY-100, General Psychology | HIS-232, African American History | MCS-142, Statistics |
| HES-100, Conditioning | CLA-101, Myth and Meaning | REL-123, Faith, Religion, Culture | REL-265, World Religions |
| - | - | - | - |

First Year January Interim: Community Action

Second Year January Interim: -

Summer after first year: HHMI Research at Gustavus Adolphus College

Summer after second year: SURF at Mayo Clinic

THIRD YEAR

FOURTH YEAR

| FALL | SPRING | FALL | SPRING |
|------------------------------------------|-------------------------------------------|--------------------------------------|-----------------------------------|
| BIO-201, Cell and Molecular Biology | BIO-388, Molecular Genetics | CHE-255, Biochemistry | CHE-246, Environmental Chemistry |
| PHY-122, General Physics I with Calculus | PHY-172, General Physics II with Calculus | CHE-371, Kinetics and Thermodynamics | S/A-259, Anthropology of Religion |
| PHY-121, General Physics I Lab | PHY-171, General Physics II Lab | T/D-102, Modern Dance | CHE-360, Proteins |
| HIS-231, Women in the US | HES-116, Weight Training | CHE-399, Chemistry Seminar | HES-128, Self Defense |
| HES-200, First Aid & CPR | COM-117, Interpersonal Communication | - | - |
| PHI-104, Individual & Community | - | - | - |

Third Year January Interim: Pre-Health Career Exploration

Fourth Year January Interim: -

Summer after third year: Volunteer Health Program and Shadowing in Nigeria; Applied to medical schools

Summer after fourth year: -
