

## **Interdisciplinary Task Force**

Westin, Edina

January 26, 2009

4:00 -7:00 PM

### **Meeting #3 WEB Summary**

#### **Welcome**

Chair Wayne Peterson welcomed the group and reviewed the Interdisciplinary Task Force Charge and Strategic Initiatives and provided an overview of the meeting agenda.

#### **Health and Wellness Summary of Ideas**

The group reviewed a summary of the ideas from Meeting #2 relating to Health and Wellness

#### **Leadership Development**

Members reviewed the Leadership Development Working Group report and considered the following questions:

- What aspirations does the Task Force have for Gustavus on leadership development? How could we describe Gustavus in 2020 relating to leadership development?
- What other topics and ideas regarding Leadership were not mentioned in the report?
- What in the Working Group Report should move to recommendations?
- What are the transformational opportunities the Task Force can recommend?

#### **Environmental Stewardship**

Task Force members reviewed the Environmental Stewardship Working Group report and considered the following questions:

- What aspirations does the Task Force have for Gustavus on this topic?
- What in the Working Group Report should move to recommendations?
- What other topics and ideas regarding Sustainability/Environmental Stewardship were not mentioned in the report?

#### **Mining the Task Force for Interdisciplinary Program Ideas**

Small groups generated ideas for possible new interdisciplinary programs or concepts.
