myPlan Participant:

Thank you for participating in myPlan, also known as MFPP (Minnesota Family Planning Program)! We are happy Health Service has been able to add programs that benefit our students and will continue to do so. With summer just around the corner we have developed a plan to assure you will receive your contraceptives through myPlan. Below are your directions for obtaining your contraceptives.

If you will be returning to Gustavus in the fall:

- You may pick up your contraceptives for the summer by coming to Health Service by May 28. You need to be aware that if you choose this option and for some reason you do not get final approval through the program, your **STUDENT ACCOUNT** will be charged for the dispensed contraceptives. You may return to Health Service in the fall as needed to receive further refills.
OR
- You may pick a **MINNESOTA** pharmacy to have a prescription for your contraceptives faxed. Please notify Health Service with the name and phone number to the pharmacy you have chosen. You will need to bring your MFPP eligibility card to the pharmacy chosen to receive the contraceptive at no cost. You may resume receiving your contraceptives through Health Service in the fall upon your return to campus.

If you are a GRADUATING SENIOR:

- You will need to pick a **MINNESOTA** pharmacy to have a prescription for your contraceptive faxed. Please notify Health Service with the name and phone number to the pharmacy you have chosen. You will need to bring your MFPP eligibility card to the pharmacy chosen to receive the contraceptive at no cost.

Please remember Health Service is **CLOSED** for the summer. There will not be anyone available to address prescription needs until September.

To ensure continuous coverage for your contraceptives, **you must have a current Minnesota mailing address on file with the MFPP at all times.** Please call them any time your information changes. Their phone number is (651)431-3480 or (800)702-9968. Mail from MFPP will not be forwarded by the post office. *If mail is returned to MFPP, your coverage will be terminated.*

If you have any questions or concerns, please contact the Health Service at 933-7630. Thanks again for participating in myPlan!

Sincerely,

Student Health Service
