## GUSTAVUS ADOLPHUS COLLEGE

Greetings,

Thank you for your interest in the Piano Laboratory Program at Gustavus Adolphus College. The Piano Lab Program has provided piano lessons to children from the St. Peter area for over 40 years. Please fill out the form below and I will contact you about available openings in the program.

Please note that in order to participate in the program you need to have an acoustic or digital piano in your home for daily practice. Electronic keyboards will not work for this program.

If you have questions, please contact me at 651 468-7058 or rrichard@gac.edu.

Sincerely,  
Rebekah Richards, Director
