

PLEDGE
Substance Free Lifestyle Program
Gustavus Adolphus College

PLEDGE is a community of responsible individuals dedicated to maintaining a substance-free lifestyle through both a living and learning environment that is friendly, open-minded and respectful. Led by a PLEDGE Council, program participants create and implement fun activities and programs for the enjoyment of the PLEDGE students to provide interesting and exciting alternatives throughout the duration of the academic school year. Past activities include:

- Cookouts in the Linnaeus Arboretum
- Bowling Tournaments at Bowlero Lanes
- PLEDGE Sponsored DIVE Nights
- Christmas Caroling in St. Peter Area Nursing Homes
- Campus Bonfires and MUCH MORE!

Beginning with the 2008-2009 academic school year, the PLEDGE Substance Free Lifestyle Program is expanding and will now allow upperclassmen to be a member of this growing student organization by signing a contract, no matter if they choose to live in the PLEDGE Substance Free Lifestyle Housing or are living elsewhere on campus. As a part of PLEDGE At-Large, members are invited to participate in all activities, save they continue to abide by a substance free lifestyle and have a signed contract. Any upperclassmen of the Gustavus campus community can apply to be a part of the PLEDGE Substance Free Lifestyle Program.
